

AMENDED IN ASSEMBLY APRIL 8, 2010

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 2747

Introduced by Assembly Member Bonnie Lowenthal
(Principal coauthor: Assembly Member Galgiani)
(Coauthor: Senator Liu)

February 19, 2010

~~An act relating to prisoners.~~ *An act to add Section 5024.2 to the Penal Code, relating to prisoners.*

LEGISLATIVE COUNSEL'S DIGEST

AB 2747, as amended, Bonnie Lowenthal. Prisoners: pharmacy services.

Existing law provides that it is the intent of the Legislature that the Department of Corrections and Rehabilitation, in cooperation with the Department of General Services and other appropriate state agencies, take prompt action to adopt cost-effective reforms in its drug and medical supply procurement processes, as specified. *Existing law authorizes the Secretary of the Department of Corrections and Rehabilitation to adopt regulations requiring manufacturers of drugs to pay the department a rebate for the purchase of drugs for offenders in state custody that is at least equal to the rebate that would be applicable to the drug under the federal Social Security Act.*

This bill would provide that the Department of Corrections and Rehabilitation shall maintain and operate a comprehensive pharmacy services program for those facilities under the jurisdiction of the department that incorporates, among other things, a statewide pharmacy administration system with direct authority and responsibility for program oversight and a multidisciplinary, statewide Pharmacy and

Therapeutics Committee with specified responsibilities. The bill would authorize the department to operate and maintain a centralized pharmacy distribution center, as specified. The bill would require the department and the State Board of Pharmacy to cooperate in the development, implementation, or modification of licensing rules and regulations to provide for the safe and efficient distribution, control, and accountability of drugs within the department's system. The bill would require the department to ensure that there is a program providing for the regular inspection of all the department's pharmacies to verify compliance with applicable rules, regulations, and other standards, as specified.

~~This bill would declare that it is the intent of the Legislature to later amend this bill to provide a cost-effective method for the use and delivery of pharmaceuticals within the prison system.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 *SECTION 1. Section 5024.2 is added to the Penal Code, to*
2 *read:*
3 5024.2. (a) *The Department of Corrections and Rehabilitation*
4 *shall maintain and operate a comprehensive pharmacy services*
5 *program for those facilities under the jurisdiction of the department*
6 *that, at a minimum, incorporates all of the following:*
7 (1) *A statewide pharmacy administration system with direct*
8 *authority and responsibility for program administration and*
9 *oversight.*
10 (2) *Medically necessary pharmacy services using professionally*
11 *and legally qualified pharmacists, consistent with the size and the*
12 *scope of medical services provided.*
13 (3) *Written procedures and operational practices pertaining to*
14 *the delivery of pharmaceutical services.*
15 (4) *A multidisciplinary, statewide Pharmacy and Therapeutics*
16 *Committee responsible for all of the following:*
17 (A) *Developing and managing a department formulary.*
18 (B) *Standardizing the strengths and dosage forms for*
19 *medications used in department facilities.*

1 (C) Maintaining and monitoring a system for the review and
2 evaluation of corrective actions related to errors in prescribing,
3 dispensing, and administering medications.

4 (D) Conducting regular therapeutic category reviews for
5 medications listed in the department formulary.

6 (E) Evaluating medication therapies and providing input to the
7 development of disease management guidelines used in the
8 department.

9 (5) A requirement for the use of generic medications, when
10 available, unless an exception is reviewed and approved in
11 accordance with an established nonformulary approval process.

12 (6) Use of an enterprise-based pharmacy operating system that
13 provides management with information on prescription workloads,
14 medication utilization, prescribing data, and other key pharmacy
15 information.

16 (b) The department is authorized to operate and maintain a
17 centralized pharmacy distribution center to provide advantages
18 of scale and efficiencies related to medication purchasing,
19 inventory control, volume production, drug distribution, workforce
20 utilization, and increased patient safety.

21 (1) The centralized pharmacy distribution center shall include
22 systems to do all of the following:

23 (A) Order and package bulk pharmaceuticals and prescription
24 and stock orders for all department correctional facilities.

25 (B) Label medications as required to meet state and federal
26 prescription requirements.

27 (C) Provide barcode validation matching the drug to the specific
28 prescription or floor stock order.

29 (D) Sort completed orders for shipping and delivery to
30 department facilities.

31 (2) Notwithstanding any other requirements, the department
32 centralized pharmacy distribution center is authorized to do the
33 following:

34 (A) Package bulk pharmaceuticals into both floor stock and
35 patient-specific packs.

36 (B) Reclaim, for reissue, unused and unexpired medications.

37 (C) Distribute the packaged products to department facilities
38 for use within the state corrections system.

39 (3) The centralized pharmacy distribution center shall maintain
40 a system of quality control checks on each process used to package,

1 label, and distribute medications. The quality control system shall
2 include a regular process of random checks by a licensed
3 pharmacist.

4 (c) The department and the State Board of Pharmacy shall
5 cooperate in the development, implementation, or modification of
6 licensing rules and regulations to provide for the safe and efficient
7 distribution, control, and accountability of drugs within the
8 department's statewide pharmacy administration system, taking
9 into account factors unique to the correctional environment. This
10 cooperation shall extend to the development and evaluation of
11 demonstration projects.

12 (d) The department shall ensure that there is a program
13 providing for the regular inspection of all department pharmacies
14 in the state to verify compliance with applicable law, rules,
15 regulations, and other standards as may be appropriate to insure
16 the health, safety, and welfare of the department's inmate patients.
17 Corrective actions necessary to resolve any discrepancies or
18 deficiencies shall be documented in writing and monitored by the
19 department for compliance.

20 ~~SECTION 1. It is the intent of the Legislature to later amend~~
21 ~~this bill to provide a cost-effective method for the use and delivery~~
22 ~~of pharmaceuticals within the prison system.~~
